**JAMES L. COTT, United States Magistrate Judge.**

On November 5, 2020, the Court received by mail an affidavit of service from plaintiff, which mistakenly indicates that plaintiff has served the Court instead of the Commissioner. To date, plaintiff has not filed proof of service on the docket to establish that she has served the Commissioner. Accordingly, plaintiff is directed to serve the summons and complaint on the Commissioner and file a proof of service no later than **November 20, 2020**.
